TJC is . . .

. . . more than the buildings in which we attended classes.

... finding a parking place.

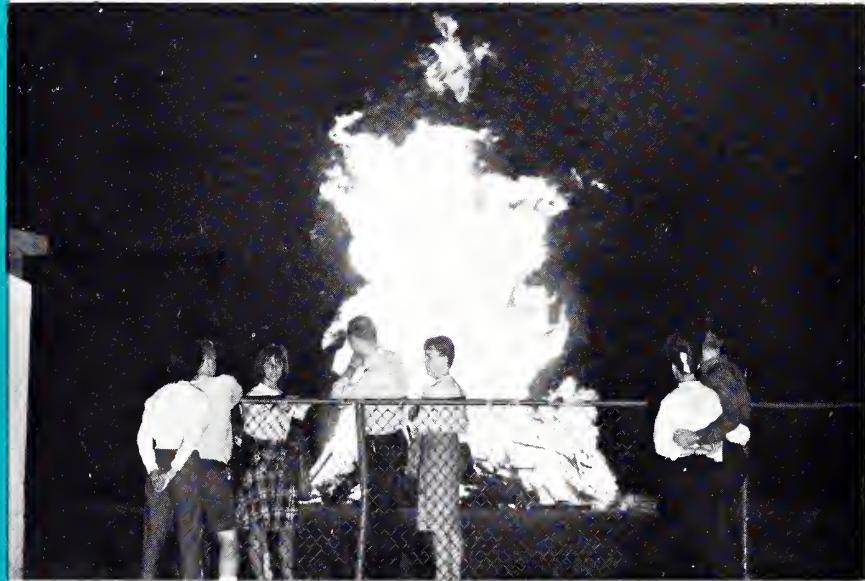

... studying in a place quieter than the Union Room.

... school spirit.

... a bonfire before homecoming.

... a break between classes.

... analyzing anthracites in geology.

... fun at the gym jam.

... individuality.

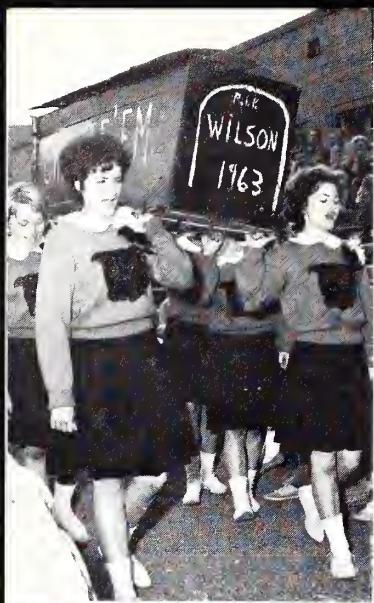

... interscholastic
competition.

... enthusiastically

backing the Bulldogs.

Thornton Junior College cheerleaders are (kneeling): Kathy Hagen and Jay Fischer; (standing): Marilynn Lau, Nancy Schlueter, Jaan LaRue, and Betty Sellá.

... a hard-working yearbook staff.

To all students,

faculty, and alumni,

we dedicate this book.

ADMINISTRATION AND FACULTY

Dr. James D. Logsdon

As the superintendent of Thornton Junior College, Thornton and Thornridge High Schools, Dr. J.D. Logsdon has been kept very busy. But even with his busy schedule he finds time to speak to the College student body on opening day each semester and to show a sustained interest in the College activities throughout the school year.

Dr. Logsdon received his B. Ed. degree from Illinois State Normal University and his M.A. and Ph. D. degrees from the University of Chicago.

Thornton students have sought Dean Dulgar's guidance and advice for the past seven years. Even with his many administrative duties our Dean always finds time to help with those seemingly unsolvable problems.

Dean Dulgar received his B. Ed. degree at Eastern Illinois State Teachers' College and his M. A. degree at Northwestern University.

Dean Lee E. Dulgar

Miss Adelaide Childs, Dean of Women

This is Miss Childs' third year as Dean of Women at Thornton Junior College. Every freshman woman has the opportunity of having a personal interview with Miss Childs to discuss any problems. Sophomore women also look to Miss Childs for advice.

Mr. Byron Kee, Dean of Men

With his second year as Dean of Men, Mr. Kee has gained experience in the problems that may arise for the college men. He also served as sponsor of the Men's club and Circle K.

Board of Education

Board of Education members are (left to right): Mr. James T. Ozment, Mr. Willis Gouwens, Mr. Robert H. Reese, Mr. Henry Vondenberg (president), Mr. Herbert G. Greiner, Mr. Louis Boudreou, Mrs. Robert C. Pebworth.

Business Manager

Mr. J. A. Peterson is business manager for Thornton High School Junior College and Thornridge.

Mr. Harold Doster, building superintendent of Thornton Township High School and Junior College, confers with his secretary, Mrs. Williams.

The smooth operation of Thornton Junior College can be attributed in part to an outstanding building superintendent and able cafeteria manager.

Mr. Harold Doster is building superintendent of Thornton Township High School and Junior College as well as Thornridge High School in Dolton. Miss Waterman runs both cafeterias which serve more than 7,000 students daily.

Mr. Arthur J. Stejskal has been director of the Thornton Township Evening School for the last four years. Record enrollments for both the fall and spring semesters were recorded by this year's evening school.

Miss Florence Waterman is manager of the Thornton High School, Junior College and Thornridge High School cafeterias.

Mr. Arthur J. Stejskal, director of the Thornton Township Evening School program.

Sending transcripts to four-year colleges, mailing grades each semester, and answering the many questions of TJC students are all part of the daily job by the secretaries in the Junior College office. Pictured left to right are: Mrs. Sue Orkin and Mrs. Edna Rupert.

Miss Daris Halversen is the librarian at Tharnton Junior College. Her responsibility is insuring to students and faculty members a well organized and up-to-date library.

In addition to sponsoring the Mixers at the start of each semester, the Gym-Jams, Homecoming Weekend, the Prom and Boulderino, the Student Senate has the responsibility of distributing the student activity fees to school organizations.

This year the Student Senate sent buses to away basketball games and redecorated and furnished the Annex C Lounge.

Lambda Epsilon is the scholastic honor society at TJC. In order to be eligible for membership a student must earn fifty-eight grade points during his first semester or an average of fifty-four or more grade points during two or three semesters.

Alumni members are also elected; these are students who have graduated from TJC with the grade average of fifty-four or more grade points per semester.

Those who maintain their scholastic excellence for two semesters are awarded a gold key.

Something new was added to the play this year. The first dramatic production this year was put on in the round. This venture was very successful although difficult to do. Besides this production the club put on several one-act plays during the spring semester.

THE DRAMA CLUB PRESENTED "THE CIRCLE" IN THE ROUND

The rehearsals and performance of "The Circle" were held in a music room on the first floor of the high school. The auditorium was being remodeled, so no TJC plays were held in it.

It takes a lot of work to put out a newspaper, as the staff of the COURIER can testify. The first thing is to find the news and then to get it into an appropriate form by deadline time. More work goes into meeting deadlines than is realized by the students who glance at the paper and then lay it down.

Without the election commission there would be no elections at Thornton. The commission, which is sponsored by Miss Marie Weis, conducts the registration of all elections. The members act as judges during the election and count the votes after the election. The counting is done in the presence of the sponsor. If there is any question about the validity of a ballot, Miss Weis makes the final decision. The ballots are kept seven days before being destroyed, so that a recount can be called for within those seven days.

Ruby Carnwall casts her ballot during student elections.

Doug Smith and Nancy Pavlak (seated) instruct Rich Naszkiewicz and Karen Bavard in proper voting procedures.

Everyone sings along at the Surfin' Hootenanny.

SURFIN' HOOTENANNY

The Student Senate offered a chance for the new students to get acquainted and for old ones to get re-acquainted at the "Surfin' Hootenanny," the first mixer of the year. As the students arrived, they were welcomed with a Hawaiian "Lei" and a kiss. The tennis court was decorated with tropical flowers, a grass hut, and a shimmering moonlight lagoon. The entertainment was provided by Ken Bailey's Roadrunners and a Hootenanny was held later in the evening. General Chairmen were Kathy Hagen, and Sam Belmonti. Decorations Chairmen were Nancy Schlueter and Dennis Johnson.

Bob Dahl, M.C. for the night, and Kathy Hagen lead everyone in the singing.

Wayne Marley celebrates his birthday as Sam Belmonti gives him a present.

It may look like a line-up to you, but it is only the freshman girls serving the refreshments.

Happy Birthday to George - Washington, no less. Ken Boiley sings as Lorrie Johnson blows out the candle.

WHAT'S NEXT?

The second semester mixer, "What's Next?" drew the largest crowd ever seen at a JC dance. This was due to the well-planned entertainment, which kept the mixer moving from beginning to end. Entertainment was provided by Ken Bailey and his "Road-Runners," the Liberty Trio, and Vern Ryan's quartet. A highlight of the evening was the handing out of "selected" prizes by Professor Whatsnext, alias Mary Ellen Haney.

Recognize them? Yes, you guessed it, the Road-Runners.

"Rip Von Winkle" and other popular songs were sung by this quintet: Jim Harris, Don Coleman, Bill Gillespie, Oliver Carter, and Vern Ryan.

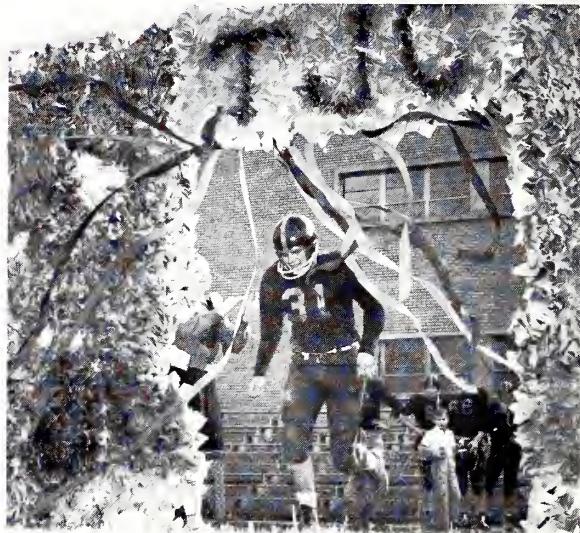

The 26-13 lass to Wilsan is shown on the faces of Marilynn Lau and Bulldag, respectively.

Homecoming week-end started out with a blazing bonfire on Friday night. The bonfire featured a snake dance and many interesting events led by the cheerleaders. At the game the following day, the team members and their Dads were introduced to the fans. In spite of the 26-13 loss, Homecoming week-end was still a spectacular chain of events.

Gail Dunker and Betty Sella received their mums as did the rest of the homecoming court and cheerleaders.

HOECOMING FEATURED BONFIRE, DAD'S DAY

John Haese, as well as the rest of the team, was introduced at halftime.

'THAT OLE BLACK MAGIC'

The theme for this year's Homecoming Dance was "That Ole Black Magic." Orange and black streamers were draped across the top of the gym to create a false ceiling over the dancers and the boiling caldron in the center of the gym. The traditional throne was placed on the stage where Jim Massick and Gail Dunker were crowned King and Queen for 1963-64.

General chairmen for the dance were Dennis Kunka and Karen Callanan; decorations chairmen were Mary Zuber and Chalrene Trotta.

FARMER'S MARKET

"The Farmer's Market" was the theme of the free smorgasbord, open to all TJC students. Eta sorority was the host for the event. The menu included hot beef on a bun, potato salad, baked beans, jello molds, pumpkin pie, apple slices, coffee, and milk.

Entertainment included square dancing and a pumpkin carving contest. Corn stalks and pumpkins decorated the posts and cornucopias, filled with flowers, decorated the tables.

GYM JAM

The Student Senate sponsored four Gym Jams during the school year. Sore muscles and torn ligaments were the results of a night's activity which included basketball, volleyball, swimming, ping-pong, dancing, and many other physically strenuous pastimes.

Teachers also took part in the games at the gym jam, as Mr. Gillmore and Mr. Ring play ring toss.

MY HEART BELONGS TO DADDY

The Dad-Daughter Banquet was opened with a tribute to dada by Charlene Trotta, and answered by her dad, Mr. Trotta. The entertainment followed the theme, "Heart of Broadway," which consisted of different imitations of famous personalities. Carolyn Leick was master of ceremonies for the program. It was a well-planned dinner by Marilynn Lau's Beta Sorority.

Our first and last convocation in the Tharnton auditorium featured Doraine and Ellis in a customized cavalcade of Broadway's greatest musical hits.

CONVOCATION

THEN . . .

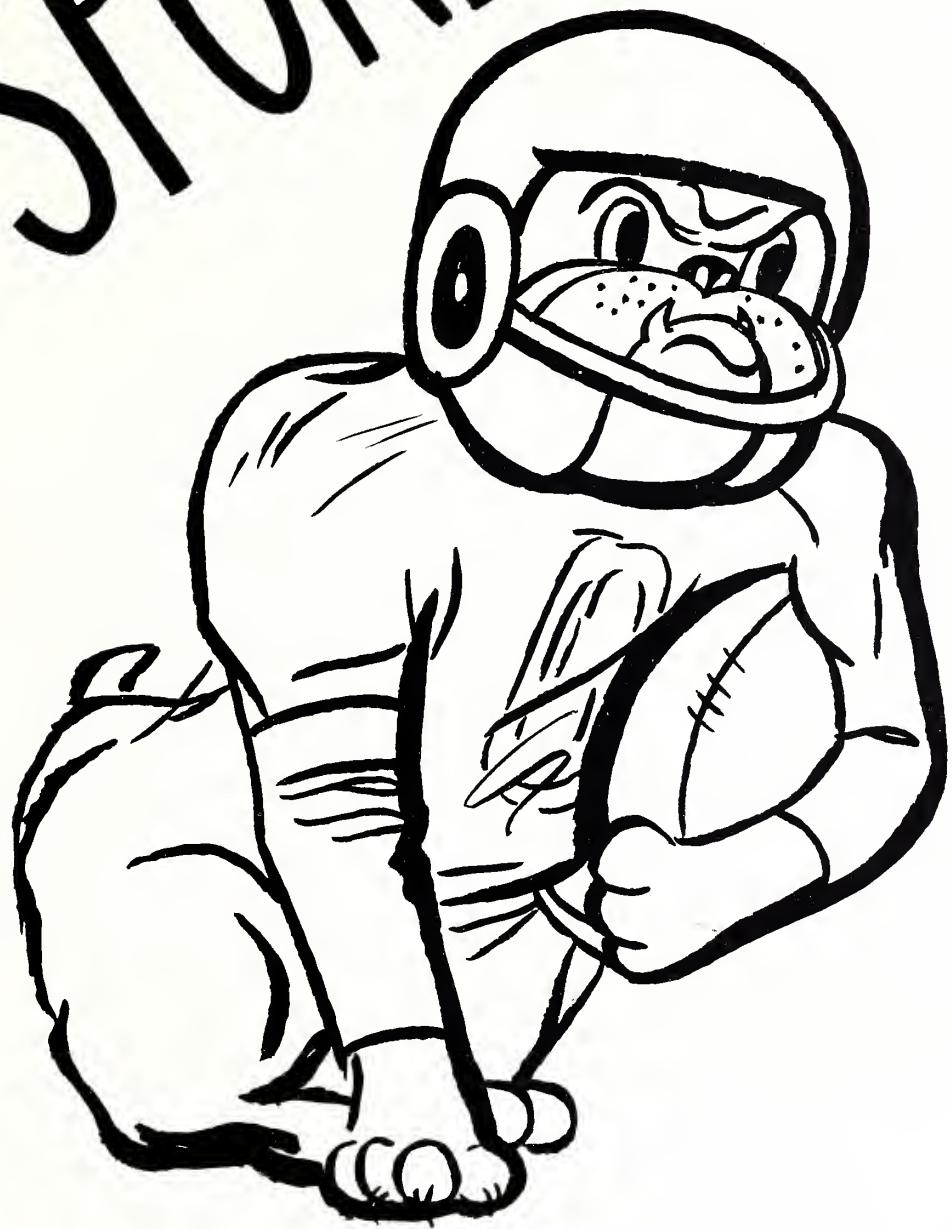

One convocation was held in the junior college auditorium before the century-old structure underwent the most extensive face-lifting in the history of TJC.

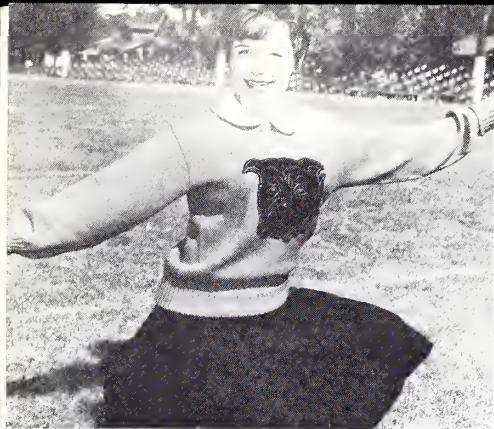

When completed, the new auditorium will seat 1,600 instead of 770 as before. The new auditorium will be almost twice as deep as the old auditorium and will have about the same width.

The only fall convocation featured Doraine and Ellis in one of the most unusual pop concerts ever presented at TJC. Doraine and Ellis contended that the great American composers had created a definite musical art form with musical comedies.

A special convocation was held during the spring semester at Thornridge High School in the evening. The program featured Charles W. Clabaugh, well known in education and government circles in Illinois, who presented excellent color films of North Canada's bush country in both summer and winter, as well as a film of historic eastern Canada. Mr. Clabaugh's humorous, entertaining, and factual commentaries made him an ideal speaker for a TJC convocation.

Athletes Excel At TJC

Athletics received national acclaim this past year at Thornton Junior College as teams excelled in every sport.

Baseball was the most successful sport at TJC as the team qualified for the National JuCo finals in Grand Junction, Colorado. Finishing the season with a 11-5 record, the Bulldogs won the Midwest championship, defeating Ellsworth, Iowa, 11-5, and then went on to finish sixth in the national action.

The basketball team finished the season with a commendable 17-4 record, although the tournament drive ended early in the Region IV qualifying tournament in Joliet. The Bulldogs were ranked as high as tenth in a nationwide poll of junior college coaches during the season. Finishing the league schedule with a 9-2 record, the Bulldogs won a share of the Northern Illinois Junior College cage championship.

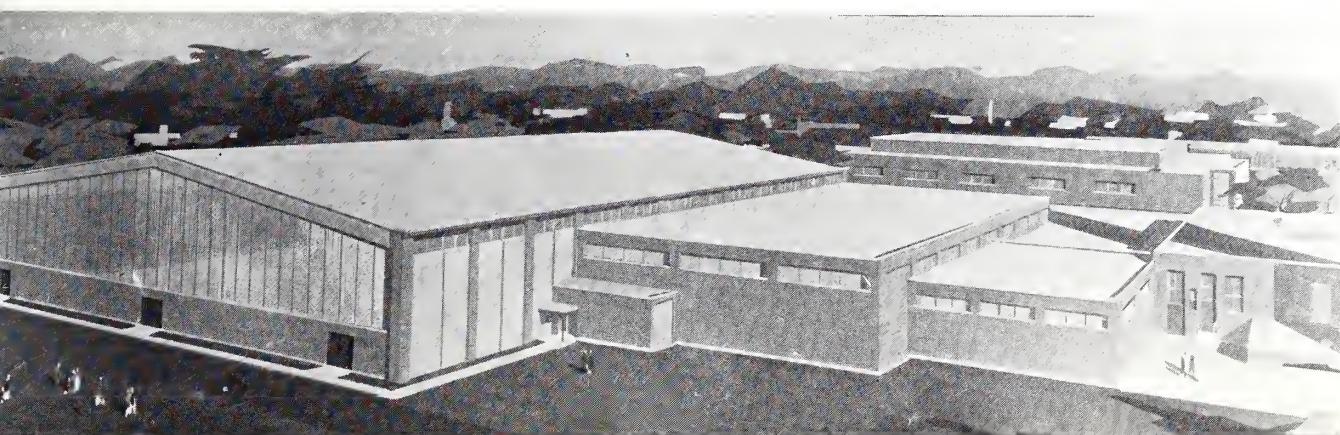

The Bulldog golf team captured a share of the NIJCC championship after finishing their dual meet schedule with a spotless 11-0 record.

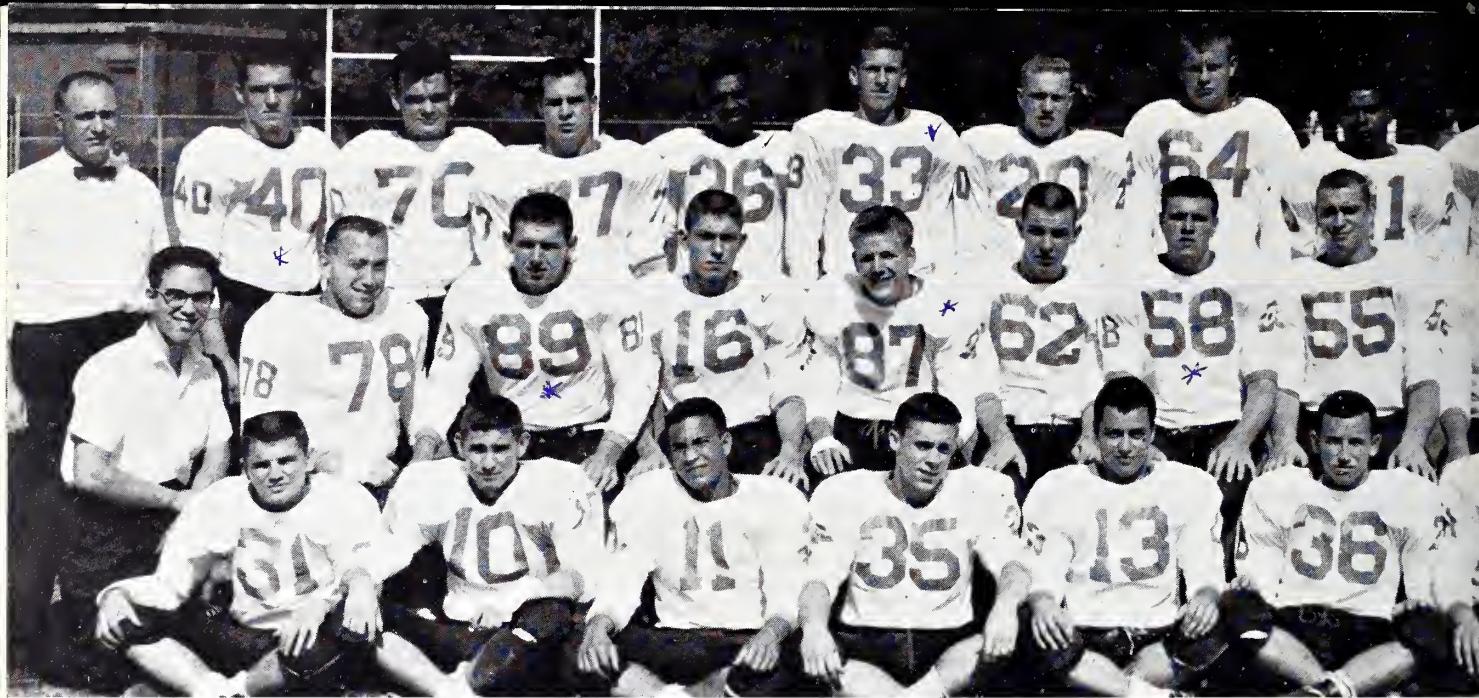

The tennis and track teams finished the season with commendable marks.

Football was in a rebuilding year at TJC as the team, composed mainly of freshmen, finished the season with a 3-4-1 record. The Bulldogs finished fourth in the league race.

The "old" (Buda Gym) will give way to the "new" next fall. Men's and women's physical education classes will be held in the new physical education plant which will be adjacent to the big gymnasium.

Bulldogs Finished

When Thornton Junior College football coach Pete Schloss opened practice early in September in preparation for the 1963 football season, he was greeted by only four returning lettermen and 36 raw, yet anxious, freshman candidates.

"It'll be a long season," forecasted Schloss, "but if I can mold these fellows into a working unit we'll finish the season with a respectable season record."

Thornton finished the season with a 3-4-1 record overall and were in fourth place in the Northern Illinois Junior College conference, posting a 2-3-1 standard.

The season had its many individual bright spots despite the poor team record. Freshmen Frank Fend and Doug Holloway sparked the Bulldog ground attack while linemen Gary Michor and Dave Kolton excelled on the line.

Third Row: Peter Schloss, head coach, Fronk Fencl, Bill Vogel, Jim Seymour, Doug Holloway, Poul Malm, John Aggen, Henry Glob, John Booker, Don Miller, Rick Finnell, Poul Rebrovich, Morris Johnson and Don Williams, assistant coach.

Coaching the Bulldogs on the gridiron were Pete Schloss and Dan Williams.

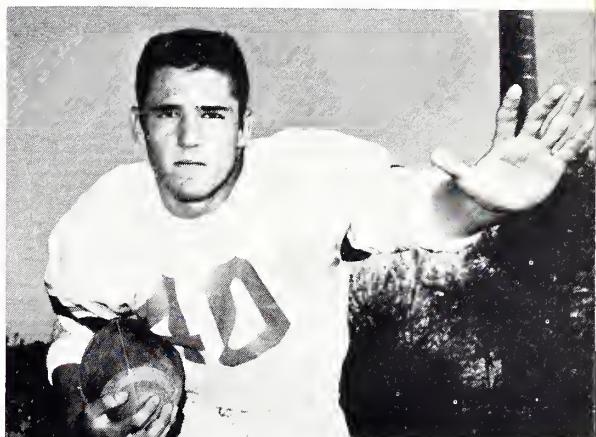

With 3-4-1 Record

Holloway set a new single game rushing mark as Thornton romped over Morton, 40-0. The freshman halfback scored 20 points while rushing 234 yards in 31 carries to establish the new record.

Fencl led the Bulldogs in total rushing for the season and was chosen to the second team All-American squad at fullback. Fencl rushed 731 yards in 171 carries to lead the squad as the team totaled 2,015 yards.

Four players were named to the conference all-star team. Fencl was named to first offensive team while Michor was unanimously chosen at the offensive tackle position, Morris Johnson was chosen to the defensive end position while Dave Kolton was selected at the linebacker spot on defense and to the second offensive team as a guard.

All-league choices included Dave Kolton (left), Morris Johnson (center), and Gary Michor (right).

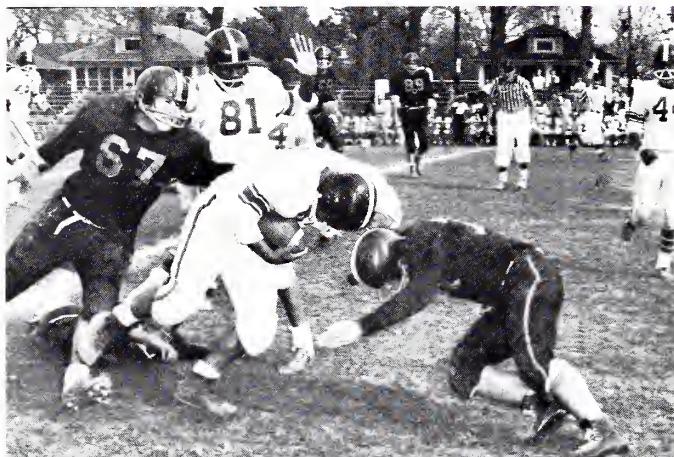

Freshman fullback Fronk Fencl was unanimous all-league choice and was named to the 2nd all-American junior college squad.

This unusual sequence of football action was captured by two cameras in the Thornton-Wilson game. The first photo shows the Wilson offender charging for the extra yardage while the second shows the Thornton defender upending him. Wilson, however, upended the Bulldogs 26-13.

Bulldog Cagers Finish Season With 17-4 Mark

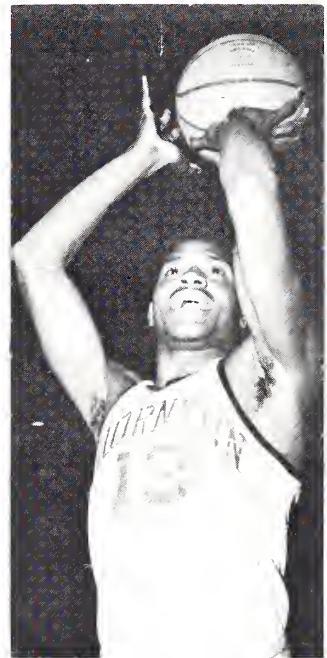

Thornton's basketball team captured a share of the Northern Illinois Junior College conference title, finishing the regular season with a 9-2 mark, but the tournament drive ended all too early for the Don Williams-coached cagers.

Thornton tied with Wright and Crane for first place in league competition. It was the first time a Thornton quintet had finished on top in 33 years. The last crown before this year was back in 1931, when the Bulldogs shared the title with Joliet.

Nationally ranked throughout the season, the tournament drive ended at the Region IV qualifying meet in Joliet. The Bulldogs thumped Wilson, 105-89, in the first game, but fell to the Joliet jinx, 84-80 in the championship tilt.

The season held its many bright spots, however, as the Bulldogs hit the century mark six times. Thornton finished the season with an overall 17-4 record.

Finished Sixth In National Meet

Thornton Junior College received national acclaim when the baseball team captured first place honors in the Midwest JuCo Tournament to qualify for the National Junior College baseball tournament in Grand Junction, Colorado.

Thornton finished sixth in the National Meet, winning one game before dropping two in the double elimination tournament.

The Bulldogs defeated Ellsworth, Iowa, 11-5, to win the Midwestern crown.

At Grand Junction the Bulldogs lost to the College of Southern Utah, 8-0, in the first game but came

back in the second encounter to defeat Panola, Texas, 3-2. Thornton was eliminated from the field by Manatee, Florida, 10-2, in their third game of the tournament.

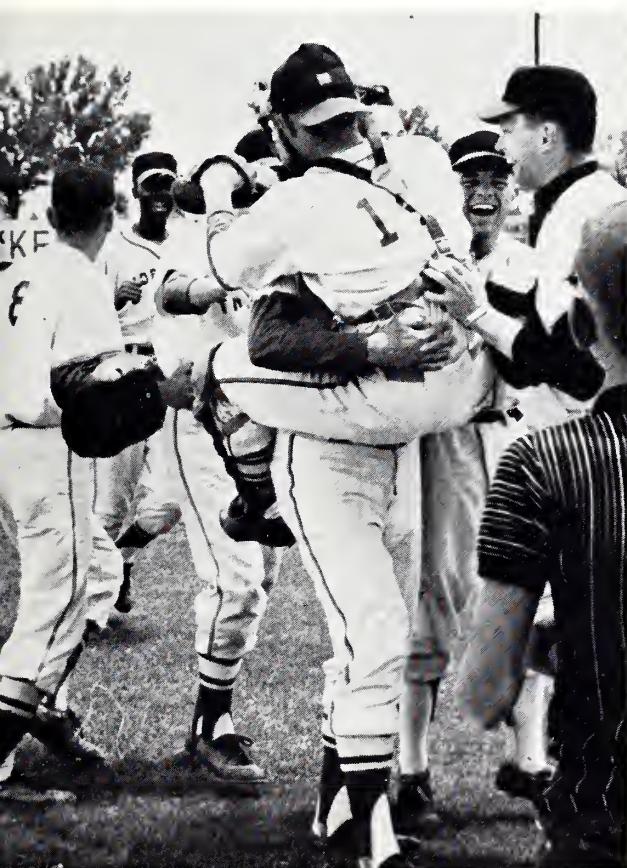

Sophomore all-American Al Dehnert and freshmen Doug Terrandy and Dan Fox carried Thornton's hopes on the pitcher's mound throughout the season as the Bulldogs finished with an 11-5 record. Dehnert pitched and batted with one arm during the season after having suffered a fractured arm during the previous basketball season.

One of Thornton's stars was All-American Al Dehnert. Left: He pitched the only victory at the National finals, even though he had a cast on his left arm. Center: Between innings Coach Carlson makes some adjustments on Al's arm. Right: One-arm Al gets a hit in the finals.

The junior college tennis team finished the season with a 5-1 dual meet record last spring and placed second in the Illinois Junior College Conference tournament.

After losing their first meet of the season to Joliet Junior College, the Bulldogs captured their next five decisions.

Sam Belmonti and Paul Malm went undefeated during the season as a doubles pair. Other letter winners included Ron Higdon and Vern Blair. All except Blair returned for the spring season this year.

Bob Anderson is the coach of the Thornton Junior College tennis squad.

TRACK

The Thornton Junior College track team came out on the losing end of two dual meets last spring, but managed to finish fourth in the conference meet.

Marv Keeling and Wayne Krass were co-captains on the squad and Pete Schloss was the coach.

Evening school students mold plaster in the ceramics class.

EVENING SCHOOL

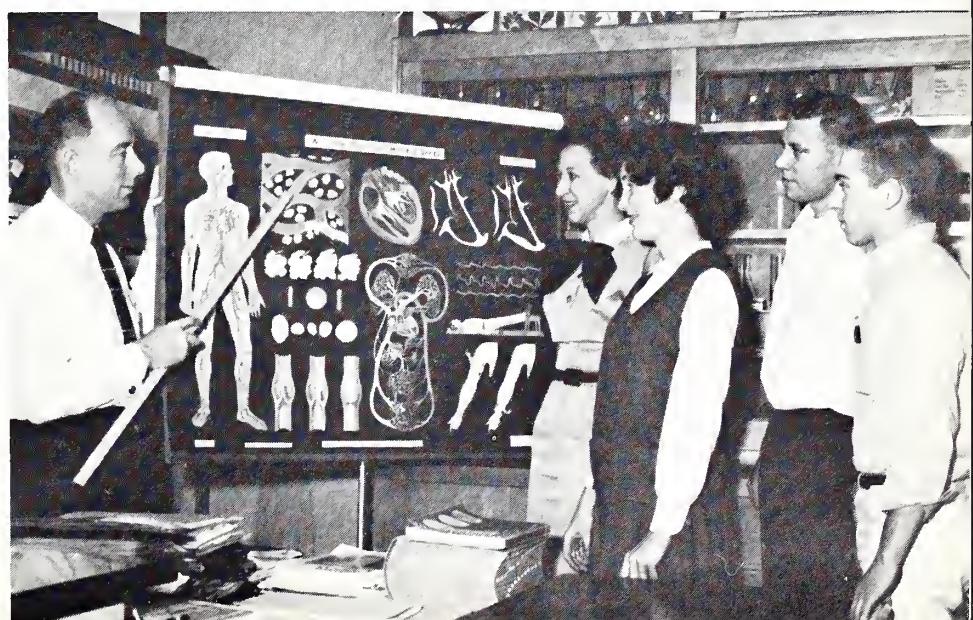

This year's adult evening education program at Thornton Township High School and Junior College had the largest enrollment in the 48 year history of the program.

Mr. Arthur J. Stejskal, director of the program since 1960, announced that the enrollment of the evening school had increased 84 per cent in comparison with the same period a year ago.

College evening courses were first offered in 1946 when two evening college courses were initiated: General Psychology with 12 students and Accounting with 16. The program has grown from the original two course offerings to more than 50 courses at present.

Mr. Balstrode instructs a student in the college typing course.

Mr. Opperman uses a graphic illustration while instructing a college science course.
